**REQUEST FOR FISCAL YEAR 2006 DISPOSAL VOLUME ASSESSMENT FINAL
INSTALLMENT**

As stated in the U. S. Department of Energy National Nuclear Security Administration Nevada Site Office (NNSA/NSO) Program Management Strategy for Disposal Operations, dated May 2005, NNSA/NSO committed to not making the final forecast data call until Congress approved a DOE Appropriations Act. The Appropriations Act was signed and the final waste volume forecast data has been submitted.

Based upon the information contained in the Nevada Test Site FY 2006 Final Disposal Volume Forecast provided by all waste generators, the DOE Ohio disposal assessment is \$565,396. Your final installment is **\$253,270** and is due to NNSA/NSO by **February 17, 2006**. For your convenience, the volume and cost breakdown for those sites under your purview is as follows:

Low-level Waste

<u>Site</u>	<u>Volume(ft³)</u>	<u>Total Due</u>	<u>Amount Paid</u>	<u>Final Installment</u>
Fernald	3,000	\$39,180	\$7,613	\$31,567

Totals	43,000	\$561,580	\$312,126	\$249,454

Mixed Low-level Waste

<u>Site</u>	<u>Volume(ft³)</u>	<u>Total Due</u>	<u>Amount Paid</u>	<u>Final Installment</u>
West Valley	140	\$3,816	-0-	\$3,816

Grand Total **\$253,270**

Credits for any excess funds on account with Bechtel Nevada have been made on this final installment billing, as noted above. However, to allow continued access to any excess funds, notification should be sent to NNSA/NSO, extending the period of performance for all such funds. It is requested that you pay this final installment amount of **\$253,270** no later than **February 17, 2006**. Please be advised that waste will not be accepted from facilities without appropriate funding in place.

The following funding mechanisms are available:

1. Funding to the Nevada Site Office (NSO) via the Approved Funding Program (AFP).
2. Memorandum Purchase Order/Memorandum Purchase Agreement ((MPO/MPA). An MPO/MPA that exceeds \$1 million (Fiscal Year) will need to have approval from the cognizant contracting officer for both the authorizing and the performing contractors (See Attachment).
 - **Integrated Contractors** - submit a MPO directly to Bechtel Nevada authorizing Bechtel Nevada to perform work and invoice costs to the authorizing Integrated Contractor.
 - **Non-Integrated Contractors** – submit request to their Cognizant Field Office. The Cognizant Field Office will issue MPA directly to Bechtel Nevada to perform work and invoice costs to the authorizing Field Office.
 - **Field Office** - issue MPA directly to Bechtel Nevada to perform work and invoice costs to the authorizing Field Office.
